TO WHOM IT MAY CONCERN

Refuge of Hope Bucerias is a Non-Profit Civil Association registered in the state of Nayarit in Mexico. Founded in October 2020, we are a Children's Shelter and Community Center that provides food, shelter, education and life skills programs to vulnerable and at-risk children. We also deliver food hampers and hot meals throughout the community on a daily basis.

Refuge of Hope is solely dependant on the generous donations of its friends and supporters. We are grateful for supplies brought to us by tourists vacationing in our area and appreciate the support of our travel partners who allow extra baggage on our behalf.

You will find more information about Refuge of Hope at our website: [www.refugeofhopebucerias.com](http://www.refugeofhopebucerias.com) or you can contact me at the cell phone above for more information.

Again, thank you for your support!
